

The Night Sky

My name is : _____

Using the book to help you, cut out the labels above and stick next to their picture to make a poster of the night sky.

Meteor

The Milky Way

Comet

Star

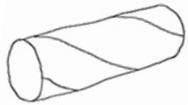

Moon

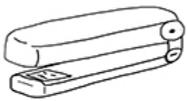

The Night Sky

Make your own toy binoculars

WHAT YOU NEED

2 cardboard tubes

stapler

scissors or tape

length of string or ribbon

decorations
(paint, pens, stickers, glitter, fabric)

HOW TO MAKE

- 1** Staple the two tubes together at the top and bottom.
- 2** To make the strap, carefully punch a hole on both sides with the scissors and thread the string through or use tape to stick on the string.
- 3** Decorate your binoculars however you like.
- 4** Have fun looking through your binoculars.
